FTO, preceptor & EMS educator

Equipment readiness & interagency teamwork

PROFILE

Nationally Registered Paramedic currently licensed in Texas and Florida with more than 15 years of varied EMS experience. Background spans high-acuity county, rural, urban, and suburban 911 response; independent ALS practice; progressive protocols and advanced clinical interventions; forward-thinking EMS systems; critical-care transport; previous rotor-wing flight experience; and emergency department, austere, and tactical operations. Experienced in training and mentoring, with demonstrated field leadership. Works effectively with peers, fire and law enforcement personnel, hospital staff, and the public. Approachable, steady, humble, friendly, and collaborative; committed to empathetic and compassionate care, sound clinical judgment, continuous learning, customer service, and contributing to a positive, cohesive, and enjoyable team environment.

SELECTED EMS EXPERIENCE

LEAD / PRIMARY PARAMEDIC

01/2025-06/2026

Hamilton County Hospital District | **MILLS COUNTY EMS** | Goldthwaite, TX

- Served as senior ALS clinician/PIC across roughly 900 square miles with limited immediate ALS support.
- Independently assessed high-acuity 911 patients, initiated advanced care and coordinated 45-100-minute transports; completed occasional critical-care ground transports.
- Advanced practice included RSI/DSI, invasive and noninvasive ventilation, Hamilton T1, infusions, thoracostomy, surgical airway, antibiotics and aggressive sepsis care.
- Precepted six-plus students and new staff; reviewed charts, recommended protocol changes and participated in frequent base training.

PARAMEDIC / FIREFIGHTER

01/2024-06/2025

City of Brady Fire & EMS | Brady, TX | Full-time, then PRN

- Provided primary medical and trauma 911 response as paramedic in command, with fireground medical support and firefighter responsibilities in a rural system.
- Maintained ambulance, equipment and clinical readiness and participated in frequent department and base training.

CONCURRENT 911 / PRN / VOLUNTEER SERVICE

05/2023-05/2026

Pecan Plantation EMS (11/2023-05/2026); Santo Fire & EMS; Granbury VFD; Palo Pinto County EMS / Sacred Cross | North and Central Texas

- Maintained recent 911 field practice across varied protocols, staffing models and resource environments; served as senior medic/PIC and assisted with field precepting.

SENIOR 911 PARAMEDIC / FTO / PRECEPTOR

04/2002-05/2003

Porter County EMS | Valparaiso, IN | County third-service EMS

- Delivered high-volume, high-acuity county 911 care; served as FTO, preceptor and instructor for approximately 12 students and new hires and supported committees and special assignments.

911 PARAMEDIC

09/2001-04/2002

Superior Ambulance | Lake County, IN | Contracted 911 ALS

- Provided high-volume medical and trauma 911 response and completed critical-care ground transports involving ventilators and medication infusions.

SELECTED EMS EXPERIENCE / CONTINUED**LEAD ADVANCED PRACTICE / TACTICAL PARAMEDIC****08/2004-08/2006****Global RSL - U.S. Department of State diplomatic-security contract** | Baghdad, Iraq

- Held authority over all medical operations for 500+ personnel; led a six-person multinational medical team and provided clinic, emergency, trauma, tactical and medical-evacuation support.
- Performed high-performance driving in support of protected movements, convoys and emergency operations.

FLIGHT PARAMEDIC**09/2003-08/2004****PHI Air Medical** | McKinney, TX | Rotor-wing

- Helped open the base and worked on a flight nurse/flight paramedic crew, averaging approximately six missions per 24-hour shift, primarily scene responses; provided ventilator, infusion and advanced-monitoring care.

COMBAT MEDIC / PARAMEDIC / EMS OPERATIONS**05/1993-06/2001****U.S. Army National Guard & Reserve** | United States, Germany and South Korea

- Walter Reed Army Medical Center ER/EMS: maintained the two-ambulance operation, equipment and inventory; responded clinically, supported training and served on an NBC Medical Task Force.
- Korea: served primarily as senior medic for the base ER and ambulance operation; worked with flight surgeons and provided PRN flight-medical support for approximately 12 UH-60 medevac missions.

EMS INSTRUCTION & ADDITIONAL FIELD SERVICE

- Independent EMS Instructor (2003-2005): taught approximately 500 students in ACLS, PALS, AMLS, PHTLS/BTLS and EVOC; also taught performance-driving skills.
- Additional paramedic service: MAST Kansas City 911 (2003); Rockwall County EMS (2003-2006); and TLC Ambulance, Dallas Metro (2005-2010).
- Daley's, CoMed and MEDEX | Chicago Metro | 1994-1999: worked EMT/EMT and EMT/paramedic crews across 911 and interfacility assignments.

BUSINESS & ANALYTICS LEADERSHIP

- Founder and senior corporate leader (2008-2025): led teams of up to 17, managed a \$3M budget and delivered geospatial/data consulting, enterprise analytics, visualization, asset-management and executive decision support while maintaining concurrent clinical practice.
- Built enterprise data and competitive-intelligence capabilities across public-sector, infrastructure and energy work; materially supported an energy asset strategy valued near \$300M after exploration.
